

November Conference in Rio is coming!!!

It is with great pleasure that the Organizing Committee invites all to the November Conference that will take place in Rio de Janeiro – Brazil, from 12th – 15th at Hotel Pestana Rio-Atlântica, Copacabana.

The opening Seminar is “IPO – The Day Before the Day After” and it will have the participation of several specialists from different countries, who will approach the theme from a myriad of angles.

The social activities will be intense and are being carefully organized in order to provide a true “carioca” experience. From typical cuisine (Brazilian barbecue, feijoada, and typical desserts) to specially chosen places for the event, culminating in our unforgettable Closing Party (full of color and music).

We are also preparing a Guide with the best places in town, such as restaurants, bars, nightclubs, charming streets, shopping malls, sightseeing tours etc... so you can all enjoy the best Rio has to offer! If you arrive early or manage to stay a little bit longer in Rio, we suggest a trip to the towns of Paraty or Búzios. They are beautiful retreats that will certainly be memorable!!!

Don't miss this opportunity of joining work and pleasure in the world's most beautiful city!!!
